

NAIFA-MARYLAND BREWS & BITES

PARTNERS WITH
GREATER
CHESAPEAKE
FOUNDATION

For the second year, NAIFA-Maryland will partner with Greater Chesapeake Foundation (GCF) to support charitable giving initiatives for both associations. Members from both groups will party at Union Craft Brewery on Nov. 20 from 4pm - 7pm. During this event, GCF will be accepting toy donations for their "Stuff the Train" toy drive.

The Stuff the Train Toy Drive brings joy and hope during challenging times by providing thousands of toys to over 25 local hospitals, schools and nonprofits. The toys and games are used throughout the year to celebrate birthdays, acknowledge milestones, and to support and encourage rehab and recovery.
